

1805 - Badge Reader & Badging Certificate

Topic of Interest	Information we need from your organization
TechScout Title	Badge Reader and Authentication/Certificate Authority
Description	<p>Seeking a badge reader and badging certificate to govern entry into a restricted area. The certificate solution should be FIPS compliant and serve to meet the need of “what you have”. FASC-N is the recommended starting point for authentication but is not necessarily the desired selection. Additionally, selection of a COTS badge reader is required and is desired that the reader have at least “what you know” capability (ex: PIN) and possibly also “who you are” capability (ex: biometric).</p>
